## Traditional Aleppo Soap

Aleppo soap is one of the natural alternatives that humanity has relied on for centuries.

Aleppo soap is made with natural ingredients and it takes between 6 months to one year for production and drying.

Aleppo soap is composed of olive oil, laurel oil, lye, and purified water.

The amount of olive oil and laurel oil range according to the quantity of added laurel oil which is in the range of 5% to 40% is excellent, enough and a larger amount is not beneficial.

Aleppo soap is perfect for beauty fans looking to avoid artificial preservatives.

Aleppo soap is ideal for all skin types, and all family members, it is full of benefits for your skin which can be recommended by dermatologists.

## BAHARHAN Aleppo Soap

GREENO company is one of the leading Turkish companies in producing Aleppo soap, founded in 2013. Following our succession in this field and the experience that we proudly inherited from our ancestors, we are happy to introduce our BAHARHAN Aleppo soap products which we inspired by our desire to revive the culture of our ancestors in beauty and skin care through natural cosmetics that are extracted from herbs and natural oils, avoiding the cosmetics that contain chemical elements such as SLS, paraben or animal fats.

All of BAHARHAN products are available with 6 different perfumes (Ambergris, Musk, Tulip, Saffron, Laurel and Incense).

## Scented Aleppo Soap Bar

BAHARHAN products are derived from the inspiration and spirit of nature, as it is made of the finest olive oil, laurel oil, and luxurious oriental perfumes in order to combine the quality of the product with the simplicity of our handmade manufacture.

Our products are rich in vitamin E, the skin's friend, which is characterized by its massive moisturizing properties.

It moisturizes the skin and gives it a silky and refreshing feeling. Furthermore, the products contain refreshing long-lasting oriental perfumes and fight the germs through the antioxidants that they contain.

Nourishes the stressful skin and leaves it clean, thanks to its components of the best sorts of olive oil and laurel oil with a scent that lasts all day long.

## 140g Bar Soap With 5% Laurel Oil

Scented Aleppo soap was originally made before traditional Aleppo soap (olive oil & laurel oil) then ground as noodles, adding the perfume, and finally re-molding in a new shape.

Gives a feeling of comfort and relaxation thanks to the luxurious Oriental perfume that lasts longer.

## 100g Bar Soap With 1% Laurel Oil

The great blend of olive oil and laurel oil will invigorate tired muscles and gently cleanse the skin.

Two packaging choices: One bar in each box and 6 bars of 100g soap in one economic box, suitable for family use.
